

# Report regarding Psalm 29 outreach

## Namibia to South Africa

04-08 February 2019

During 2018 the Lord systematically guided us towards a vision revealed to Gert. In the dream, he saw 5 towns – Velddrift, Vredenburg, St.Helena Bay, Saldanha and Langebaan. Furthermore, he saw a chain tied around South Africa, 7 times, with a lock hanging from it, on the side of Table Mountain.

According to the Word of God in 1 Kings:13, the Lord commissioned us from Namibia with His command: “Go and destroy the altar of Baal, unlock the lock hanging at the side of Table Mountain and crush in pieces the sevenfold chain which surrounds South Africa. Also, destroy the seed sown in the Castle where forces of evil dwell as well as their point of connection with the parliament.” This is the joint altar of Baal, which we were commissioned to destroy. Psalm 29 was proclaimed by thousands of South Africans in preparation of the soil of South Africa. The Lord accumulated an intercessory group of more than 400 people, purposed to function as an army, while guarding our supplies. “David said to his men, ‘each of you strap on your sword!’ so they did, and David strapped on as well. About four hundred men went up with David, while two hundred stayed with the supplies” 1 Sam 25:13 (NIV)

Seven people sent from Namibia and seven from South Africa, but one woman (from the team in Namibia) fell ill and was unable to join us, thus the team, which embarked from Namibia, became six. (Later this became a powerful testimony)

The Lord revealed Vredenburg as our home base, where the battle plan would emerge every day. On Monday, the 4<sup>th</sup> of February 2019, we gathered to receive strategies and weapons from the Lord. The Lord revealed that historically, the Gospel was restrained outside Malmesbury and that the Western Cape rejected the Gospel. Receiving the Gospel implied the renunciation of slavery and the release of slaves. The rejection of the Gospel by the inhabitants of the West Coast resulted in a resistant spiritual wall being erected around the West Coast. The wall had to be destroyed and could only be done through confession and forgiveness by the inhabitants of the West Coast.

After the destruction of the wall, we laid Velddrift before the Lord. Satan used 10 strongholds to keep the town in bondage. The strongest and most prevailing one, being activated years ago when a father cast out his teenage daughter, sent her over the bridge to Vredenburg and forbidding her to return unless she was pregnant.

The power, which the drug dealers possessed over the law enforcement including the powerlessness of the town council, was revealed. The power had to be claimed back and restored to the original, rightful institution. Satan repeatedly tried to shift our attention away from performing our commission. The Lord showed that He plans to raise up mighty warriors from Velddrift. The stronghold on the bridge was broken when the Holy Spirit led us to walk over the bridge in faith as warriors of God, each with a Bible, to open the womb through which many from Velddrift would follow. We also sealed the road leading from the bridge, towards Vredenburg, with the Blood of Jesus against the works of evil, to prevent the seeds we have sown, from being robbed by Satan and that they might have the opportunity to sprout, grow and bring forth fruit. To our utmost amazement, the magistrate was the first person to drive through the blood line, confirming that the Lord would work from the highest authority down to restore righteous structure.

On the 5<sup>th</sup> of February, we once again assembled in Vredenburg in order to lay St.Helena Bay and Vredenburg before the Lord and He revealed 10 strongholds in St.Helena Bay.

During the war assembly, the Lord gave Isaiah 28:15-20, specifically referring to the destruction of the covenant with death. The Lord furthermore revealed the high murder rate, unnecessary blood being shed, the gap between the extreme rich and the extreme poor, deep disunity and many incomplete projects.

Upon entering the town, we noticed a flag on the right hand side of the road, exhibiting the sign of the spirit of death and this was confirmation of the strongman in control of the town.

The covenant with death was broken and all strongholds destroyed. We sowed Bibles where the strongholds occurred. The next day, the queen of Ndebeles visited St.Helena Bay to pray there. She picked up the harvest (the Bible) we sowed at the Diaz cross; unaware of the footsteps the Lord lead us on in sowing the Word at the spot.

In Vredenburg, there were 6 strongholds; the most prominent being the curse on the original name - "Twisfontein" - fountain of controversy. We visited the fountain, broke the curse over the original name and claimed the fountain as an oasis for the Lord. Certain proclamations needed to be performed at the reservoir on the mountain. The Lord brought to our attention the extraordinary presence of satellite antennae (of various sizes) pointing in different directions as a sign of His desire to raise up Vredenburg as a model of communication, broadcasting the Gospel all over the earth.

On the 6<sup>th</sup> of February, we assembled to pray for Saldanha and Langebaan. The Lord referred to Saldanha as the city of blood, naturally confirmed by the red dust of the iron ore; a city filled with deceit, violence and robbery. The Lord gave us 14 Scriptures to proclaim in all directions from the highest mountain in Saldanha, in order to destroy the works of Satan.

Before we went to Langebaan, the Lord revealed the plans of the Freemasons to organize various initiation meetings, targeting the Western Cape. One of these meetings was scheduled for Langebaan on Saturday, 9 February 2019. We declared confusion and resistance against this proposed meeting, in the Name of Jesus Christ. The Lord further revealed the rampant spirit of harlotry in Langebaan and led us to take authority and destroy it. One of our warriors received revelation of 2 eyes of seduction emitting evil rays of light. We were informed about the mermaid statue on the beach, where many wedding ceremonies are performed. It is a powerful confirmation, because the mermaid symbolizes the spirit of seduction and lust, and it was the strongman over Langebaan.

Upon our arrival, we all sensed the evil spirit in the atmosphere. We destroyed the altar and prayed over the weddings performed there.

Throughout we were amazed at how many municipal officials either appeared first on the scene after our proclamations or picked up Bibles.

We covered the 5 towns on the West Coast and everything built up to the culminating point in Cape Town (Table Mountain). All the gates of every town mentioned, were sealed, with the Word and the Blood.

Thursday, the 7<sup>th</sup> of February, we assembled in order to receive the Lord's strategies for the spiritual fight on Table Mountain on 8 February 2019. Over all the previous towns the Lord used the voices of all the warriors, but during the warrior meeting for Table Mountain, the Lord made it clear that He would use only use the voice of Gert to do the proclamations. In preparation of this whole fight, the Lord already supplied all the weapons of war. The Lord advised Gert through the Holy Spirit to not only anoint his mouth, but to take a sip of the anointing oil, in order for the fire of God to go forth from his mouth. The morning of the 8<sup>th</sup> of February, when we were sent out, Gert asked the Lord for a double portion of fire on his tongue, and he took 2 sips of the oil of anointing. The Lord revealed to him that the fire going forth out of his mouth, would burn the wings of the fallen angels and render them inactive, because a fallen angel cannot walk; it can only fly.

We were commissioned from the warrior meeting, with Joel 2:1-17. As we mentioned earlier, initially we were a group of 7 sent from Namibia for the commission on the mountain. One woman fell sick and stayed behind. Her husband persevered in filling his position in the team, whilst leaving his sick wife behind in Namibia. We did not know at that stage, that they have their wedding anniversary on the 9<sup>th</sup> of February and were willing to sacrifice being together on that day. When he woke up the morning of the 8<sup>th</sup>, he received a message on his cell phone, informing him that his wife was already on the plane to Cape Town and that she would join us for our commission on Table Mountain. Our team was complete, the way the Lord initially planned it: seven from Namibia and seven from South Africa.

Another profound testimony is that the queen of Ndebeles and one of the Zulu kings, joined by their people, gather at the foot of Table Mountain to pray for our team ascending the mountain. It is astounding how the Lord Himself summoned the nations to be part of this project, which turned out to be a guideline towards the proposed altar we would eventually build (to mention later.) We had an extraordinary windless day and during the proclamations, the Lord kept away the strangers and without realizing, we stood at Eve's Footprint viewpoint. (A profound testimony for later.)

The Lord gave us Matthew 16:19 to unlock the lock. We asked the Lord to send His angels to throw it into the depths of the sea and to be prevented from being used by evil. The sevenfold chain was shredded with 7 Scriptures:

Psalm 118

Obadiah 1

Ezekiel 36:22-28

Psalm 32:8

Psalm 83

Habakkuk 3

Psalm 126

We also destroyed the lines of communication between the Castle and Parliament as well as all the blood which flowed, directly or indirectly, as a result of the decisions made in Parliament, across South Africa and through history. We claimed it from Satan and gave it back to Jesus. We further poured out the Blood of Jesus (dedicated grape juice) over the edge of Table Mountain, which will flow all over South Africa. Through these actions, we declared that the sins of South Africa is forgiven and that the Blood of Jesus Christ shall henceforth be South Africa's protection.

We also silenced the spirit of Goliath, speaking through a certain politician. The Lord said: "He presumes himself to be great, but in reality he is nothing. I AM TIRED OF HIS CLAMOROUS CLUTTER."

We thus declared dumb silence over this spirit, in the Name of Jesus Christ.

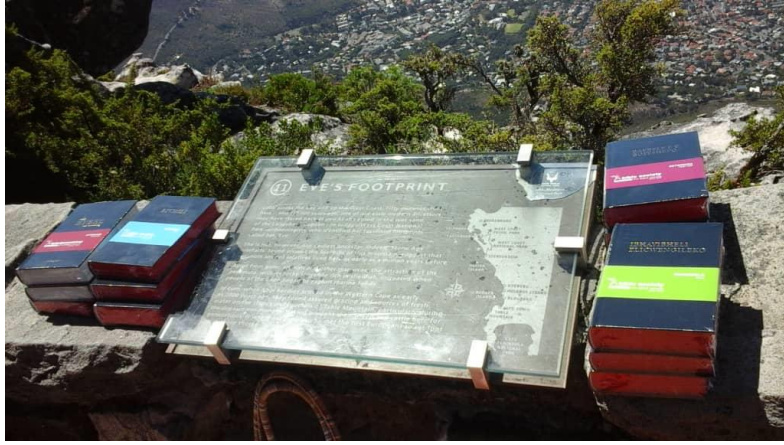

In preparation, the Lord revealed to Gert that the strongman binding South Africa is the spirit of Sisera; confirmed by the testimonies of 2 other witnesses. It functions from the 5th level of satanic hierarchy. We removed it from its position and destroyed its stronghold, by proclaiming Judges 4.

The Lord laid it in our mouths to warn the leaders of the nation, who abused their positions for personal gain, that they will be accountable to God Himself for abusing their God-given authority entrusted to them. We saw God putting His finger into the political parties, causing disunity amongst them. He addressed one specific leader: "Prepare yourself to stand before the living God. You who caused so much damage, will have to explain to God."

The Lord also revealed to Gert His commitment to raise up a true man of God as the future leader of South Africa, who will serve the nation without any desire for control.

During the proclamation of these Scriptures, the anointing overcame Gert so powerfully, causing him to come to the verge of collapsing and in need of support. The Lord further commissioned us to build an altar with 12 Bibles on top of the mountain - 1 of each of the 11 official languages plus 1 from Namibia, symbolizing the unity of the different race groups in South Africa and the connection with Namibia, through which God plans to work further into the future.

The altar is erected at “Eve’s Footprint viewpoint.”

In previous projects and prophecies, the Lord repeatedly revealed that the light for the restoration of Southern Africa would emerge from Rehoboth, Namibia.

We sought the Lord’s face during the preceding war strategy meeting, in order to receive the Lord’s leading regarding who should eliminate the spirit of Sisera; who should penetrate the temple of his head with a hammer and tent peg and thus pen him to the ground. The Lord revealed to us that a young, coloured girl from Rehoboth, Namibia, one of the warriors, was indeed God’s Jael.

The root of all the problems in South Africa started when a young, coloured girl, was raped in the Castle. She became pregnant and was consequently rejected by her own people. Many political leaders in South Africa were born from her bloodline. In the Castle, her name was changed to Eve. It appeared most relevant for the proclamations being done from the viewpoint on Table Mountain, called Eve’s Footprint, without any pre-meditated plan on our side. It was done under the leading of the Holy Spirit.

The fruit of this act of violence, proved to be racial hatred, harlotry, rejection, alcohol abuse and many other evils. Satan devastated this poor young girl, to bring the whole of South Africa into bondage and God used Jael to destroy the spirit of Sisera, in order to deliver the country from bondage. This spirit ran rampant for approximately 450 years. Before Jael proclaimed Judges 4, the Holy Spirit gave Gert a profound vision; chariots of fire and restless horses with shaking heads, manes waving in the wind and fire shooting from their nostrils. These fighting horses filled the whole atmosphere - from East to West, as far as the eyes could see - filled with expectation of their glorious activation by the proclamation of Judges 4. (God’s heavenly host ready for battle.) When Jael proclaimed Judges 4, the shaking of the heavens was felt. This heavenly host was sent into South Africa to wage war and conquer the evil forces.

The Lord further revealed; because one of our team members was willing to sacrifice his wedding anniversary, He will enter into a new covenant with South Africa. The covenant implies: “South Africa, if you serve Me wholeheartedly and honour Me and be obedient to Me, you will be My people and I will be your God. I have forgiven all your sins and will remember them no more. I will restore or replace for you the years that the locust has eaten—the hopping locust, the stripping locust, and the crawling locust, My great army which I sent against you. I want to be your God. Please be My people who serve Me in spirit and in truth.”

The song of victory which God gave South Africa, is Judges 5. Proclaim this portion frequently, to remind God of the victory and His promises.

The Lord always gives a sign of confirmation after completion of a certain commission. In this case, the sign of confirmation was rain for Namibia. The warrior farmer, who left his farm amid drought, as an offering to the Lord, received 40mm during the night of the 8<sup>th</sup> of February, exactly the way the Lord showed us.

A word from Mount Zion Ministries to South Africa:

“South Africa, the Lord heard your confession of repentance and saw your rent hearts. The Lord saw every bowed knee and witnessed every drop of blood which flowed. The Lord sent us from Namibia to destroy the altar of Baal. Please forget the past just as God has forgotten it. Take hands - every nation, tribe and language - serve the Lord and serve one another, because each of you has your designated place to occupy towards the success of this

country, determined by the Almighty, before the foundation of the earth. Namibia prays for South Africa. May God lead and bless you according to the riches of His mercy and grace.

Gert, Eleonor and the whole team.
